## Software Developer

(+82)10-8533-7158 | [senditholmes@gmail.com](mailto:senditholmes@gmail.com) | United Kingdom

### SUMMARY — HTML CSS JS TS NODE REACT SQL

Education professional with over six years of experience turned software developer. After learning Korean, I naturally gravitated towards new programming languages. Choosing a language, creating a solution, and making something real happen using the power of programming is my passion and my dream is to be part of a team who share that passion.
